SERVICE AND DISPLAY MATERIALS

The material used in the funeral and presentations at the celebration will be posted at debbiandrews.ca by 03 June, as will the materials or photos of the materials in the hall displays.

In their services, Anglicans use a prayerbook and a hymnal.

The person conducting the service will occasionally refer to a page number in the prayerbook.

Hymns are announced by their number in the hymnal.

A pdf of the relevant pages will be posted with the page or hymn numbers visible.

ONLINE ATTENDANCE BOOK

There will be an online attendance book on which to sign in.

Instructions will be at debbiandrews.ca.

I would really appreciate knowing who is out there participating and shall monitor the book before and after the funeral service and after the celebration of Debby's life.

A copy of the online book will be added to the in person attendance book. and both will be posted to debbiandrews.ca
